

CPO 95T TREADMILL

The Life Fitness CPO 95T Treadmill is built with comfort and ease of use in mind. It offers a simple, non-intimidating console and the most popular workouts. With its contemporary industrial design and high-performing durability, nothing else compares. This familiar, classic machine is used today by thousands of world-class facilities all over the globe, and with good reason, it delivers. Even remanufactured, Life Fitness Certified Treadmills are a better value than other companies' brand new equipment.

PERFORMANCE FEATURES

DX3™ BELT AND DECK SYSTEM

This groundbreaking system combines a lubricant-infused belt, Advanced Belt Tracking System (ABTS™) and our patented FlexDeck™ Shock Absorption System for the ultimate in durability and comfort.

HEART RATE MONITORING

Lifepulse™ digital heart rate monitoring hand sensors are conveniently placed on the easy-to-grip Ergo™ bar to provide walkers with precise heart rate monitoring, and Polar® telemetry provides runners with accurate, "hands-free" heart rate monitoring. (Telemetry requires optional chest strap.)

MOTIVATING WORKOUT VARIETY

Zone Training+™ Workouts automatically adjust the incline level to keep users in their target heart rate zone. Also includes 5K and 10K Run, goal-based workouts and Gerkin, Fit Test and Military PRT/PFT fitness protocols.

EASY TO USE

An intuitive console makes startup simple, and integrated cup holders and a center accessory holder provide additional convenience.

RAPIDWORKS™ SERVICE ENHANCEMENTS

Maintenance is fast and easy with Auto Alert™ diagnostics that inform you of service needs and permanently record and date-stamp maintenance performed.

HIGHLIGHT FEATURE

**FLEXDECK™
SHOCK
ABSORPTION
SYSTEM**

The Flexdeck™ Shock Absorption System reduces knee and joint stress by up to 30% more than non-cushioned surfaces, decreasing the chance for injury. Eight incredibly durable Lifespring™ shock absorbers deliver consistent cushioning.

CPO 95T TREADMILL

CHECKLIST

OUR 23-POINT INSPECTION

Our certified technicians carefully disassemble and diagnose every treadmill using a meticulous 23-point quality checklist. Next, we either Clean, Detail, Inspect, Paint, Rebuild, Repair, or Replace every specific part or perform a combination of these steps. We deliver fully-assembled, refurbished Life Fitness treadmills ready for your immediate use.
